### Shepherd's Care....not just an event but a dialogue....not just ideas but discovery!

Join national leaders and ministry representatives from more than 20 denominations and movements across the Faith Community for strategic focus on one hope! "Then I will give you shepherds after my own heart..." Jeremiah 3:15

#### Dialogue and discovery, strategy and best practices to assist Christ's shepherds in:

- \*avoiding and addressing ethical/moral failures
- \*confronting marriage breakdown and family discord
- \*life disciplines for ministry excellence and "finishing strong"
- \* imparting relational health through the Pastor's own family legacy
- \*spiritual integrity as the foundation for effective witness and bold proclamation

#### Consider the Possibilities of Spiritual Awakening in our land as...

- \*Pastors find freedom to walk in the "fear of the Lord" rather than the approval of people
- \*Ministers and their families experience increased joy and deepened loving relationship as their family legacy gives witness of Christ
- \*More young people passionately pursuing the call of God to prepare and proclaim Christ's good news
- \*Pastors champion Kingdom unity in their communities moving away from "us against them" to "together for Him"!
- \*Righteous living, grateful generosity and loving compassion are exemplified and proclaimed!
- \*Bold witness is made of God's truth as His Kingdom is extended.
